

Docent Art

Dear Parents,

The Docent Art Program will continue at Squantum School this year.

Docent Art is a volunteer parent program run through the Quincy Public Schools for the purpose of enriching students' understanding and appreciation of art.

No training in the arts is needed to present this program, just a willingness to share, talk about and explain works of art with children. All materials are given to us. Those who have participated in the past found it very rewarding. The kids love it!

Docent Art will run in November through May. The time commitment is approximately 30 minutes per month. The art presentation is held in the classroom.

If you are interested in volunteering for this, please complete the tear off section and return it to school with your child as soon as possible.

Thank you for your help,
